

BUILDING SAFETY CERTIFICATE

The School building of DAV Sr.Sec. Public School Nagrota Surian Tehsil jawali Distt. Kangra (H.P) was inspected by me with the concerned Junior Engineer. The building has neither been designed nor constructed by this department. No earthquakes resistance norms have been adopted for this building. The structure a non engineer structure. Hence the structure safety of this building cannot be ensured specially from the earthquake point of view. This building is constructed in two parts ground floor in the year 1991 and first floor in the year 2004 respectively. The department will not responsible for any type of life and property .If this structure fail under any circumstance. However as per visual inspection ,the building appears to be safe at present under static loads, for the year 2021-2022.
